ABDULLAH MUKHTAR

WEB DEVELOPER

PROFILE

I'm Abdullah Mukhtar, a passionate Front-End Developer and Digital Designer with over 3 years of experience in building responsive, high-performance websites and applications. I specialize in both front-end and back-end development, combining creativity and technical expertise to deliver functional, modern digital solutions. Inspired by innovation and driven by problem-solving, I've successfully completed 1,000+ projects for clients across various industries.

WORK EXPERIENCE

Front-End Developer

2022 - Present

- Develop and maintain responsive web interfaces using React and Tailwind CSS.
- Collaborate with designers to convert Figma prototypes into functional websites.

Senior Web Developer

2022 - 2025

- Assisted in developing custom themes and plugins for client projects.
- Built and managed multiple client websites using HTML, CSS, JavaScript, and WordPress.
